

Bilsdale Agricultural Society Show

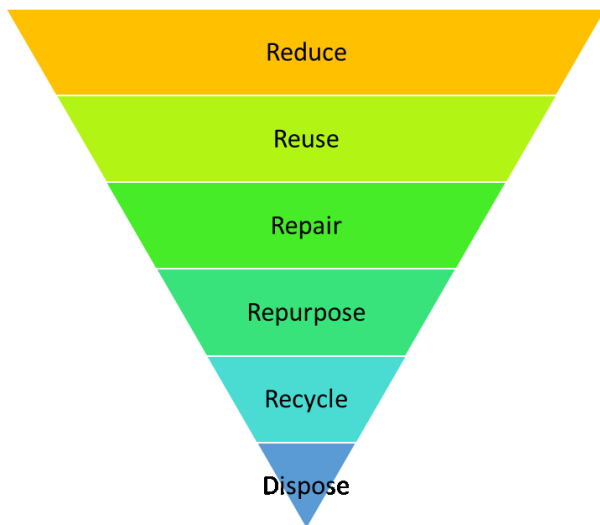

Registered Charity number 1156940

Our Environmental Policy

The Bilsdale Agricultural Society aims to reduce the environmental impact of the Show and promote good practice.

Bilsdale Show Environmental Policy Waste pyramid:

To put this into action the Society will:

- Repurpose existing signs / crowd management equipment rather than purchase new, wherever possible
- Aim to use local traders and exhibitors, minimising transport impacts and supporting our local businesses
- Encourage lift sharing for visitors and promote the use of public transport to the show ground
- Encourage exhibitors and traders to reduce their waste and wherever possible use recyclable materials
- Food vendors will be encouraged to use recyclable food receptacles
- Provide a recycling scheme for visitors
- Highlight the environmental aims of the Show to encourage visitors to make their visits environmentally responsible
- Educate and engage visitors, promoting care for animals, wildlife and the environment
- Manage the show ground in such a way as to reduce disruption to wildlife

Environmental regulations, laws and codes of practice will be regarded as setting the minimum standards of environmental performance.
